

Una Angina Tonsilar en
 una Mujer de 25 á 30 años
 cuya inflamacion a mas de
 atacar todo el cumulo de foli-
 culas mucosas de las dos avallas,
 se extendia sobre el velo pala-
 tino causando á la Enferma
 mucha calentura, dolor en la
 garganta muy fuerte, dificultad
 de deglutir, y aun de respirar.

Trés sangrias, el regi-
 men antiflogistico, y las garga-
 ras del opiacato han sido los
 remedios con q. se ha termi-
 nado felizm.^{te} esta Angina; y
 otra casi con los mismos sín-
 tomas en un Hombre de unos
 40 años. Palma 8 Junio de
 98.

Barcelona

Handwritten text on a piece of aged, yellowed paper, tilted diagonally. The text is written in a cursive script, likely from the 18th or 19th century. It appears to be a letter or a document fragment, with some words and phrases visible, though difficult to decipher due to the handwriting and fading. The paper has a small hole near the top edge.

Handwritten text on a piece of aged, yellowed paper, oriented vertically. The text is written in a cursive script, likely from the 18th or 19th century. It appears to be a letter or a document fragment, with some words and phrases visible, though difficult to decipher due to the handwriting and fading. The paper has a small hole near the top edge.
