165-91

1852

A close-up photograph of a piece of aged, light-colored paper. A prominent horizontal brown stain, possibly from a liquid spill or ink, runs across the center. Above and below this main stain are several smaller, irregular brown spots and smudges, suggesting further staining or handling over time. The paper has a slightly textured appearance.

Handwritten text, likely a signature or name, appearing as "H. J. ...".
